Trayne of Thought

Pastor Joe Traynham

Finally autumn has arrived. The cool weather has been a refreshing change from the warmer weather we’ve had for months. Seasons change, cities change, cultures change, and families change. As much as we’d like to keep everything as it is, life changes. There are questions each of us has to ask ourselves as we contemplate change. How will I adapt to change? Is the change good for me or is it bad? Can I continue to maintain my morals and standards in a time of change? As Christians we have to ask how do we continue to be effective witnesses for the Lord Jesus in a world that’s constantly changing. We can be faithful to Him and His Word as we continue to try to modify our approach to a community in change. The key for us is prayer and following the leadership

Welcome Guests

Please help us get to know you better by completing the Guest form inside this bulletin and leave it at the end of your pew. If you have a young baby or child up to 4K, we invite you to take advantage of our nursery. We also offer children’s church grades 5K—2nd grade; children’s church will begin after our praise music.

In addition to that two Sundays a month the (the first and third Sundays) we offer Primary Church for the 3rd grade –6th grade.
